II. How to Make a FOIA Request.

The Department of Energy (DOE) FOIA Home Page links to the FOIA Reference Guide, which provides instructions on how to make a FOIA request. A FOIA request also may be submitted electronically through the DOE FOIA Home Page or by facsimile at (202) 586-0575. The FOIA Home Page address is [www.ma.mbe.doe.gov/execsec/foia.htm](http://www.ma.mbe.doe.gov/execsec/foia.htm) and the guide can be accessed by clicking on Reference Guide.
A. Requests may be submitted to:

Abel Lopez, Director
FOIA/Privacy Act Division
Office of the Executive Secretariat
U.S. Department of Energy
1000 Independence Avenue, SW
Washington, DC 20585
202-586-5955

B. The response time to complete action on FOIA cases ranges from 2 days to 3 years based on the complexity of the request, the need to conduct a classification review of documents that are identified as responsive, or the need to consult and coordinate with other federal agencies on the review of documents.

C. A requester may not be granted records that are requested because (1) the requester did not agree to pay fees incurred to process a request; (2) the request does not reasonably describe the records sought; or (3) the information requested is exempt from disclosure in accordance with the Attorney General’s Memorandum for Heads of Departments and Agencies on the Freedom of Information Act, dated October 12, 2001.

III. Definitions of Terms and Acronyms Used in the Report.

A. Agency-specific acronyms or other terms are as follows:

  **DOE**-- Department of Energy.

  **Field Offices**--DOE offices that are not located in the Washington metropolitan area.

B. Basic terms expressed in common terminology.

  1. **Appeal** -- a request to a federal agency asking that it review at a higher administrative level a full denial or partial denial of access to records under the FOIA, or any other FOIA determination such as a matter pertaining to fees.

  2. **Average number** -- the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.
3. **Complex request** -- a FOIA request that an agency using multi-track processing places in a slower track based on the volume and/or complexity of records requested.

D. **Denial** -- an agency decision not to release any part of a record or records in response to a FOIA request because all the information in the requested records is determined by the agency to be exempted under one or more of FOIA exemptions, or for some procedural reason (such as because no record is located in response to a FOIA request).

5. **Exemption 3 statute** -- separate federal statute prohibiting the disclosure of a certain type of information and authorizing its withholding under FOIA subsection (b)(3).

6. **Expedited processing** -- an agency will process a FOIA request on an expedited basis when a requester has shown an exceptional need or urgency for the records that warrants prioritization of his or her request over other requests that were made earlier.

7. **FOIA/PA request** -- Freedom of Information Act/Privacy Act request. A FOIA request is generally a request for access to records concerning a third party, an organization, or a particular topic of interest. A Privacy Act request is a request for records concerning oneself; such requests are also treated as FOIA requests. (All requests for access to records, regardless of which law is cited by the requester, are included in this report.)

8. **Grant** -- an agency decision to disclose all records in full in response to a FOIA request.

9. **Initial request** -- a request to a federal agency for access to records under the FOIA.

10. **Median number** -- the middle, not average, number. For example, of 3, 7, and 14, the median number is 7.

11. **Multi-track processing** -- a system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests in each track are processed on a first-in/first-out basis. A requester who has an urgent need for records may request expedited processing.
12. **Nondisclosure** -- an agency procedural reason for not disclosing records, such as “no records exist” or “not an agency record” or “request canceled.”

13. **Partial grant** -- an agency decision to disclose a record in part in response to a FOIA request, deleting information determined to be exempt under one or more FOIA exemptions; or a decision to disclose some records in their entireties, but to withhold others in whole or in part.

14. **Processed request or appeal** -- a request or appeal for which an agency has taken a final action on the request or the appeal in all respects.

15. **Segregability review** -- the act of reviewing a document, removing portions containing information that cannot be released under FOIA exemption(s), and then releasing the edited document to the requester (See “Partial grant.”)

16. **Simple request** -- a FOIA request that an agency using multi-track processing places in its fastest (non-expedited) track based on the volume and/or simplicity of records requested.

17. **Time limits** -- the time period in the FOIA for an agency to respond to a FOIA request (ordinarily 20 working days from receipt of a proper FOIA request).

**IV. Exemption 3 Statutes.**

A. The Exemption 3 statutes relied on by DOE during the current fiscal year and a brief description of type(s) of information withheld under each statute are, as follows:

Atomic Energy Act of 1954, as amended, 42 U.S.C. 2011 et seq. Agency withheld information that is classified as Restricted Data, Formerly Restricted Data, or Uncontrolled Classified Nuclear Information (UCNI).

Internal Revenue Code, 26 U.S.C. 6103. Agency withheld federal tax identification number. This was upheld in Church of Scientology of California v. IRS, 484 U.S. 9 (1997)
